Dear Parents/Guardians,

The school district understands that there has been a high incidence of students who have been out of school as a result of flu-like illnesses. We also understand that many doctors are not seeing patients with flu-like illness, however, our attendance policy remains in effect. Please ask your doctor's office for a note that excuses your student for the time that he/she was out as a result of flu-like symptoms.

I apologize to you in advance for any inconvenience this may cause. It is my intention to keep open lines of communication to help all the children in the Mt. Ephraim School District. If you have any concern for the clarification of attendance, please call the school nurse.

Thank you for your attention in this matter.

Respectfully,

Joseph G. Rafferty, Sr.
Chief School Administrator
